WITH LOVE FROM COPENHAGEN

At UIMAGE, our designers take inspiration from the distinct nature of the Nordic landscape to create unique designs related to the way we live in an urban setting. Influenced by the design language, colours and materials found around us in Scandinavia, we create a collection that is rooted in our home but designed for everyone.

Versatile, flexible and multifunctional, our designs are created to enhance an urban lifestyle in smaller spaces!

DESIGNED BY THOR HØY

“ The small size and the geometric, edgy outline of the lampshades work as the perfect cherry on top and will elevate and embellish every space they're a part of. ”
