MEGA

DELUXE

Queste lampade da parete e da tavolo sono estensioni impregiosite di Coco ap (dove “Mega” è la versione ingrandita di “Deluxe”). Presentano inoltre una combinazione di nickel lucido e specchiatura, arricchita da dettagli sulla struttura e paralumi su quattro lati, in tessuto effetto marmo Calacatta o in cotone bianco.

These wall and table lamps are embellished extensions of Coco ap (where “Mega” is the enlarged version of “Deluxe”). They also feature a combination of polished nickel and mirroring, enriched by details on the structure and four-sided lampshades, in Calacatta marble-effect fabric or in white cotton.
