ENO
studio

Editeur de design depuis plus de 10 ans, travaillant avec les plus talentueux designers actuel, il était donc normal que le studio ENO intègre en son sein une équipe de designer pour imaginer ses propres pièces. Nos réalisations vont de l'objet au mobilier en passant par le textile.

/

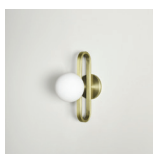

Design brand for 10 years, working with the most talented actual designers, it was obvious for ENO studio to incorporate a design team to imagine its own pieces. Our projects range from object to furniture and textile.

CIME

Lamp - 2018

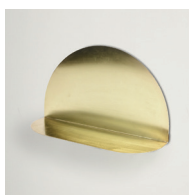

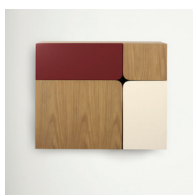

«CIME, est une collection de luminaires qui se jouent de la gravité. Un globe en verre circule autour d'un anneau en laiton brossé, créant une rencontre entre formes simples et sophistication».

/

«CIME is a light collection which play with gravity. The glass globe seems to run around the brushed brass ring, creating a bound between simple shapes and sophistication».
