Adam Tihany

La nuova sospensione AIR, disegnata da Adam Tihany, è realizzata al 100% in materiale ecologico "NPU GREEN", estremamente resistente e performante. Pur garantendo lunga vita, è riciclabile al 100% e sostenibile al 100%, in quanto priva di adesivi, coloranti e sostanze chimiche di qualsiasi tipo. La finitura è a base d'acqua e quindi atossica.

Con AIR, Contardi si impegna a diventare un'azienda ancora più verde in futuro, con la promessa di ridurre drasticamente lo spreco di materiali e i danni alla Terra.

Vogliamo che le nostre lampade abbiano un grande impatto nel mondo del design con il minor impatto ambientale possibile.

The new AIR suspension light, conceived by Adam Tihany, is made of 100% eco-friendly material "NPU GREEN", which is extremely strong and high performing. While guaranteeing a long useful life, it is 100% recyclable and 100% sustainable, as it is free of adhesives, dyes and chemicals of any kind. The finishing is water-based and therefore non-toxic.

With AIR, Contardi makes a pledge to become an even greener company in the future, with a promise to drastically reduce the waste of materials and damage to the Earth.

We want our lamps to have a great impact on the world of design, and the smallest possible environmental footprint.
